LEAVE THE PAST ON

ICE

FLOW INTO THE

FUTURE

NO MORE PLASTIC
BOTTLES!

Health Effects of Microplastics

- Are you aware that the highest levels of microplastics come from bottled water?
- Have you seen the research linking microplastics to cancer, immune system damage, and reproductive problems?

Solution: Purified & Certified Water

Storage & Recycling

- Is your bottled water storage climate controlled and out of direct sunlight?
- What is your recycling process?

Solution: No Storage or Waste

Restocking Water Bottles

- Please walk me through your current process for purchasing and restocking bottled water for the office?
- How would eliminating this process impact productivity of your organization?

Solution: Unlimited Drinking Water

High/ Variable Cost

- Have you considered the ever-increasing bottled water costs due to increased staff and inflation?
- How are you currently meeting your ice needs?

Solution: Low Fixed Cost
